

Yamaga Taiji Papers Project

This collection contains letters written by and to Yamaga Taiji during 1946 – 1969 in different languages. Letters will be opened after finishing an arrangement and identifying a legality. Coming Soon!

Dear Friend, Germaine Gracia, 4th May 196

I received your letter dated 13 April w
I sent you a direction of Japanese words of 1
I thank you for \$25, which sent me through co
the money not yet arrived, it will make good
I met with Vinoba Bhave at Buddh Gaya on 8th
have been catch cold and in very bad conditio
speak in Esperanto so I spoken in English onl
I am verry sorry he not yet practice in Espera
impression of India was not good. I can say t
and Vinoba is eminent too high as far as Indi
allow them but still they are in so badly caug
much in moral and religions, mainly of poison
you received my copy of Esperanto of Lao-tsu
work to translate into Spanish and the transla
question please write me and I will give some
I hope it will be published by your taking of
Last week we had congress of Anarchist Fe
in Tokyo. our new young student comrade of "2
of all students in Japan, is very strong and t
tically, but I am very sorry that Com. J. Ku
bad condition of pneumatic tuberculosis. And
Huaueka also operated stomach and after it fi
old com. N. Mondo also since 3 years is in h
apoplexy, right half body he is paralyse and
fluently.

Chinese former anarchist Pakin came here
as his friend in Esperantist, but I could spe
few minutes because many communists are aroun
naot given time to speak with us for some lon
program have controled of so Japan-China Frie
had wright to settle their programme only.

Just few days ago we are visited of a french young anarchist,
Claude SELETTI, 14 avenue du General Leclerc

, PARIS 914)
who came here through New Caledonia and Australia, if he coul not
his job in Tokyo he will go home soonly.

From Vishvaneedam Ashram, Bangalore, India I am inviting a
young vinoba-member to study agriculture of paddy cultivation in
Japan, he may come in his travel payment. and we will guarantee him
as certificater, giving some assist for his staying. Exchanging
young men Mr. N. Ramaswami, editor of SARVODAYA monthly, 24
Srinivasapuram, TANJORE, South INDIA wish to invite English speakin
speaking youth as assistant at the publication office paying
70 rupees for month (Minimum living for food needed 100 rupees or more
more), if you have some hope of it please write to him. I had stay
there one noth in his kind hospitality as a guest.

I am publishing in Japanese "WAR RESISTER" it have issued till
number 3 already. Our congress does not accept all statement
of War Resister International in India conference, but ther
agree collaborate one part only against disarmament, but not
for Non-violent, because some time we are compelled take some
violence while we are attacked of police while we are doing
active action in fighting of protest demonstration. Young com-
rades can not be so moderate. so members of W.R.I. among A.F.J.
now as volunteers are appiuvating as members of Japan Branch
of War Resisters' International. paying contribution \$10 for
\$25/year/only/ every year.

Just few days ago we are visited of a french young anarchist, Claude Seletti in Paris when you go there.
